

It seems like just yesterday that Council Rock North was wrestling at Boyertown in the season opener and now, BAM, done. An up and down season that finished on a down when both **Johnny Dutrow** and **Shane Longstreth** were eliminated early on from State competition.

Johnny Dutrow had finished third in the Southeastern Regions the week before. Third doesn't get you a very good starting spot at States. **Johnny** went up against Mackenzie McGuire from Upper St. Claire in his first bout. McGuire was the Southwestern Regional 119 pound Champ. **Johnny** had eliminated McGuire from competition last year in their first round consolation match with a 7-5 decision. This year it was McGuire's turn taking their opening match 9-4. McGuire went on to finish second. In the first round of consolations, **Johnny** met Josh Polachek from Westmont Hilltop the Northwestern Region second place finisher. **Johnny** won that one beating Polachek 8-3 which set up a match with Derrick Nelson from Waynesburg in the second round. **Johnny** lost that one in overtime and his day and year were done. A year that saw **Johnny** finish with an overall record of 34 and 13, second at Sections, third at Districts and Regions and a second trip to States. Maybe the third one will be the charm. Let's hope!

This was also **Shane's** second trip to Hershey in as many years. **Shane** went 1 and 2 last year. This year not so lucky. He lost to Devon Lotito from Liberty in his first match and dropped to the consolations. **Shane** met Kody Young from Puxsutawney in the first round of consolations. Young took that one and **Shane** was done. That loss ended a stellar four year varsity career at Council Rock North that saw **Shane** finish with a career record of 128 - 64. Over his four year career **Shane** was a four time Section place winner, a four time District place winner, a three time Regional place winner and a two time State Qualifier. A terrific record for a terrific competitor. **Shane** will be missed at the Rock but we know the future is bright for this fine young man.
