

**December 19 & 20, 2009**

**Thirteen CRN wrestlers traveled to Newark, Delaware to try their hand at one of the top five tournaments in the nation. They all did well in the first round. With three byes and seven wins a total of ten North wrestlers moved on to the second round. Wins were hard to come by and nine of the Indians were forced to drop to the consolations. Only **Jamie Callender** continued in the championship bracket, making it to the finals where he finished second to the number one seed from Blair Academy. The other guys wrestled well in the consis and there were many good, close bouts, but eventually each suffered that second loss which ended their tournament. At the end of the day, North finished a respectable 16<sup>th</sup> out of the field of 100 team from as far away as Oklahoma. See the results below;**
